2009 RNS Big Wrap for Nurses

“There wouldn’t be an Australian who hasn’t personally been touched by the wonderful service nurses provide - whether for themselves, family or friends. They are there for us when times are tough and this event gives us the opportunity to say thank you,” Sue Dunlop, CEO Regional Nursing Solutions.

The RNS Big Wrap for Nurses, now in its 3rd year, is about saying thanks to those in the health care industry for the invaluable contribution they make to the community. The event is timed to coincide with the International Nurses’ Week celebrations.

In 2007 we wrapped The Big Pineapple, a literal way of giving nurses a ‘wrap’ for what they do.

In 2008 our message was seen by thousands of commuters when we wrapped the Ettamogah Pub.

In 2009 Sunshine Castle gave us the perfect location for a Medieval inspired Gauntlet Bed race course and evening Feast.

2009 also saw us take the message to the coal-face and in our small way show that we are thankful to the men and women who care for a living. By travelling to many regional health institutions in the Big Wrap Van we had the opportunity to personally thank nurses.
